***GENERAL TERMS AND CONDITIONS***

---

1. Bidder is invited, urged & cautioned to inspect property to be sold prior to submitting a bid. Property will be available for inspection at the place and times specified in the invitation. All property is offered for sale "as is, where is". The State makes no warranty, expressed or implied as to quality, kind, character, quantity, weight, size or description of any of the property or its fitness for any use or purpose. Any oral statement or representation by any representative of the State is unauthorized and shall confer no right upon the Bidder or Purchaser.
2. The purchaser agrees, upon notification, to pay for item (s) awarded to him in accordance with the prices offered in his bid. All forms of payment must be in US currency. Payment is to be made in the form of cash, check, and postal money order, Visa or Master Card. Checks must be made payable to Marketing & Redistribution. If payment is made in the form of a check and the financial institution does not honor it a \$25.00 service fee will be charged and a personal check will not be accepted for up to a one-year period. Payment is to be made within five (5) days after notification of being successful bidder. Purchaser of property from the State of Arkansas may be subject to the payment of state sales and/or use tax. Marketing & Redistribution is not responsible for collection of taxes for items titled for highway use.
3. Unless otherwise specified in the invitation, the purchaser shall be entitled to obtain the property upon vesting of title or the receipt of payment for the property. The purchaser shall be responsible for the loading and removal of the property, at his expense, within five (5) business days. Marketing & Redistribution employees will assist with loading heavy or large items at Marketing & Redistribution as time permits. In no way will the State suffer any expense, penalty, personal or property liability in the removal of said equipment. If property is not claimed within 15 days after receipt the State will dispose of accordingly as being abandoned property.
4. When bids are signed or when bids are made available via the web site and are submitted via the web, this constitutes a contract with the State of Arkansas to pay the amount(s) indicated for the equipment offered for sale. Failure to comply could result in action being taken by the Attorney General's office and/or be cause for rejection of future bids. Unsigned bids will not be read or considered. By signing the Invitation for Bid document the Bidder warrants that they are not less than eighteen years of age. Employees of the State of Arkansas Department of Finance and Administration may not bid.
5. The State of Arkansas Procurement Administrator shall decide any dispute, which is not disposed of by mutual agreement. Tie bids will be determined by a flip of the coin by Marketing & Redistribution staff.
6. The State of Arkansas Procurement Administrator reserves the right to reject any or all bids, to waive any technical defects in bids; and unless otherwise specified by the State or the bidder, to accept any one item or group of items in the bid, as may be in the best interest of the State.
7. Failure to respond to three (3) consecutive "Invitations to Bid" shall be considered sufficient cause to remove your name from Bidder's list for future bids for same or similar items for the following three (3) consecutive bids. In addition, successful bidders that do not pay for and pick-up the item(s) awarded will not be eligible to participate in future bids for the same or similar items for the following period. After removal from bidders' list(s) or for contract default, a bidder must complete a bidder application form in order to be reinstated. Contract default will not prevent purchases from retail sales.
8. Effective March 2004 Marketing & Redistribution is required to collect sales tax in the amount of 7.50%.
9. No changes may be made to the terminology of the official bid form or the general terms and conditions.
